DATA SHEET

A112 Straight Radiator Delivery Hose

The Right Connection®

STEAMBOSS

Manufactured specifically for the transfer of hot water and anti-freeze/anti-boil solutions in cooling systems.

Hose Construction

Tube: EPDM blend - black
Cover: EPDM blend smooth - black
Reinforcing: High tensile synthetic textile cords

Features

- Weather resistant
- Ozone resistant
- Abrasion resistant
- Mylar layline
- Mandrel built

Temperature

- -40°C to 100°C

Standards

- Nil

Part Number
