H020 TPR/Food Grade Delivery Hose

Manufactured from high-quality PVC, boasting outstanding flexibility, featuring a glass-clear translucent appearance with a hint of blue, ensuring excellent visibility of transferred products. This versatile hose is perfectly suited for a wide range of applications, including the transfer of air, water, food and beverage items, as well as petroleum products. It finds utility across various industries such as food production, mining, construction, general industrial and agricultural sectors. Not suitable as a permanent fuel line

Hose Construction

Tube: PVC - transparent
Cover: PVC smooth - transparent
Reinforcing: Polyester yarn, red spiral tracer

Special Features

- UV stabilised
- Abrasion resistant
- Oil mist resistant
- Extruded

Temperature

• -5°C to 60°C

Standards

AS/NZS 2554 Class B
