- Frequently asked questions guide
- 2 Dixon caps
- eLINK USB
- 1 Industrial hose laminated reference poster
- Face to face training session

The Right Connection®

How do I get started?

A screenshot of the Dixon website homepage. The header includes the Dixon logo, "World Class Customer Service", and navigation links for "Products", "Markets", "Resources", "About Us", and "Contact Us". A search bar is present with the text "Enter keyword or part number". The main content area features a large banner for "Dixon Hammer Unions" with the tagline "The Right Connection" and contact information "Contact Us: 1300 134 651". Below the banner are four product categories: King Crimp™, Cam & Groove, Boss™ LPS, and Dry Disconnect Fittings, each with a representative image.

The Right Connection®

Simply start by logging in through ‘Log In’

Create a log in profile

The screenshot shows the Dixon website homepage. At the top left is the Dixon logo with the tagline "World Class Customer Service". At the top right, it says "Welcome to Dixon" followed by a language selector (AUS | English) and a "Log in" button, which is highlighted with a red box. Below the logo is a navigation menu with "Products", "Markets", "Resources", "About Us", and "Contact Us". A search bar is located to the right of the menu, with the text "Enter keyword or part number" and a search icon. Below the search bar is a dropdown menu labeled "Products". The main content area features a "Top Resources" sidebar with links to "King Crimp Calculator", "Product Cross Reference", "Product Literature", "Publications", and "Videos". The central banner is for "Dixon Hammer Unions" with the tagline "The Right Connection" and contact information "Contact Us: 1300 134 651". A "Learn More" button is also present. Below the banner are four product categories: "King Crimp™", "Cam & Groove", "Boss™ LPS", and "Dry Disconnect Fittings", each with a representative image.
